

Stellest™

SLOWS THE PROGRESSION
OF MYOPIA

Stellest™ Eye Care Professional Training

In order to support your practice in the successful implementation of Stellest™, we encourage all staff that will be involved in patient management to complete training.

Training must be completed in order to activate access to Stellest™

Instructions:

Step 1: Watch all 3 modules

Step 2: Complete a short quiz

Details

Step 1: Watch the Stellest™ Training Modules:

- ▶ **MODULE 1** - A Vision to Tackle Myopia (~12 min)
- ▶ **MODULE 2** - Managing Myopia (~20 min)
- ▶ **MODULE 3** - Stellest™ Lens Introduction (~20 min)

Click ▶ to activate recording.

Step 2: Complete short quiz ✓ ([click here](#))

Upon completion of the quiz, access to Stellest™ lenses will be activated.

Should you have any questions please contact your Essilor Business Consultant.
